LISA

No Strings Attached

After a bad breakup, Lisa decided it was time for a change. No more catering to every whim that her slab of meat wanted. No more hoping that he'd pop the question one of these days. Fuck all that. She wanted to cum with no strings attached. Her first foray into singledom had her stuffing her slit three fingers deep until she came like she hadn't in a long, long time. It wasn't so bad being single. Orgasm after orgasm left Lisa with sticky fingers and a hungry-for-dick cunny. And the search for new cock started again.

WICKED PICTURES PARODY

SLEEPING BEAUTY XXX

AN AXEL BRAUN PARODY

Deep set in the Enchanted Forest, quadruple award winning director Axel Braun proudly presents *Sleeping Beauty XXX: An Axel Braun Parody*, the second offering from his new breed of X-Rated parodies, erotic fairy tales for Wicked Pictures.

Devising a sexier, edgier and darker rendition of the classics, we have all come to know and love, Braun takes a dramatically different approach to the beloved folk tales by reigniting the characters and placing them in highly charged, sexual situations that not only spark the senses but delve into their unique personalities as well. With an intelligent script, superb costuming, and a stellar cast of industry powerhouses, including Anikka Albrite in the titular role of Princess Aurora/Sleeping Beauty and Stormy Daniels as the wickedly evil Maleficent, one would be hard pressed in finding a production with more artistic integrity, heart, and unadulterated fantasy!

ON THE SET

Today, our magical tale of jealousy, treachery and deception ignites in the grand dining hall of the king's castle, whereby the three good fairies, Riley Steele, Casey Calvert and Claire Robbins have come to bless the unborn princess with gifts. Later, they learn that the beautiful child will one day be betrothed to Prince Phillip (Michael Vegas) as a way of merging their two kingdoms together.

As the blessed event is well underway, the three fairies decide to celebrate with Jay Crew (King Hubert) by anointing his royal boner with their pussy power. Falling to their knees, all three girls take their rightful position before the king's cock, opening their mouths to near snapping point in order to get their fill.

Playfully vying for the inaugural opportunity to wrap their mouths around his thick mushroom tip, Riley (Flora) eventually wins out and begins sucking him off until her pink cheeks cave in. Securing a ball into each of their respective mouths, Casey (Merriweather) and Claire (Fauna) do a fantastic job of salivating over the king's double danglers, coating his set with loads of sexy spit stringers.

In time, all three tongues are performing acrobatic swirls, twists and turns over his cock, causing the king to look up into the sky and thank his lucky stars for the fantastic fairies that have befallen him.

After several more minutes of pure cock love ensues, Jay pops his pecker out of Claire's mouth and douses the colorful darlings with his royal jizz. In the spirit of sharing and caring, the beautiful nymphs energetically swap his cum load from mouth to mouth. It's a grand sight, indeed.

While all of this cum swapping is underfoot, and the fairies are blessing the unborn child with the gifts of beauty and song, Stormy Daniels (Maleficent) mysteriously appears in the room, surrounded by a cloud of green smoke. Adding her own wish into the mix, Stormy wickedly proclaims, "Princess Aurora shall have beauty and grace and be loved by all. But upon reaching adulthood, she shall prick her finger on the spindle of a spinning wheel...and die!"

As a way of protecting the princess from Maleficent's evil spell, the three fairies hide Princess Aurora in their cottage, shielding her from danger. As the years pass, Maleficent's bumbling guards continue in their quest at finding the princess, but come up unfruitful every time. Maleficent is livid!

By now, Anikka (Princess Aurora) has grown into a beautiful young woman, who is becoming better acquainted with her budding sexuality. Whilst picking wild berries in the forest, Anikka not only meets Michael Vegas (Prince Phillip) for the first time but also stumbles upon Mick Blue (King Stefan) and Shayla LaVeaux (Queen Leah) getting it on across a wooden bridge. Unable to peel her eyes away from the X-Rated action, Anikka simply hides herself from view and watches the erotic interlude unfold.

At this point, Shayla is on her knees, wedging Mick's meat stick between her experienced tonsils. Demonstrating a lack of a gag reflex, Shayla easily slides him in and out of her neck, coating his cock with silvery strands of spit that dangle and web across his crotch. Picking up the pace just a bit, Mick sinks his hands into her blonde hair and fucks her face with full intensity, urging her to "take it!"

Still reeling with passion, Mick hoists Shayla's right leg onto the top rung of the bridge and continues his afternoon delight by pounding her veteran vagina in a standing doggie spread

that showcases her beautiful legs. Up for the challenge, Shayla happily thrusts her body backward, making a more solid connection with his crotch, creating a crashing sound that is audible to everyone.

From here, the dynamic duo continue in reverse cowgirl position on the cushion of the green grass below. With her bongo boobs bouncing across her chest and her puffy clit plumped up to the side of cherry tomato, Shayla is clearly enjoying the slip and slide of Mick's skillful ride. Wow!

As the day turns into night, a spinning wheel mysteriously appears out of thin air, illuminated by a glaring green mist that compels Anikka (Princess Aurora) to come closer. Upon touching the spindle, Anikka falls to the ground, succumbing to a deep slumber that ultimately fulfills the prophecy.

While still spellbound, Anikka's subconscious mind awakens in Stormy Daniels' (Maleficent) evil lair. "I wanted to be the first to wish the Princess a happy birthday," Stormy flirts, enticing the enchanted princess with her big tits and a look of lust that is impossible to ignore.

Unable to resist the urges that are swirling around her body, Anikka lunges toward Stormy and plants a wet, juicy kiss across her lips. In time, the lip action between the two starlets is so intense that is becomes impossible to assess where Stormy's lips end and Anikka's begin.

Now, as tits begin spilling out of their brilliant wardrobe, Stormy grasps her humongous hooter in her hand and proceeds to breastfeed Anikka. Happily suckling and smacking, it becomes quite clear that Anikka has definitely succumb to Stormy's wicked ways. "More, please," Anikka later begs, eager to take a deeper bite out of the sinful stunner.

Soon, Anikka is on her hands and knees receiving a flurry of tongue and finger action that causes her pussy juice to dribble down her legs in a steady rush that makes her dress wet. Not stopping until Anikka ignites with an orgasmic release, Stormy keeps steady pressure on Anikka's clit until the princess pops!

When it's Anikka's turn to service Stormy's slit, she bestows the same type of intensity on her captor as she happily received. Ending in an epic gash gush, this is clearly one of the most erotic scenes of the entire production.

Just to ensure that her curse in still intact and ever potent, Stormy manifests another spinning wheel and has Anikka prick her finger once again, for good measure. Again, Princess Aurora falls into a death-like slumber and will remain there until she is awaken by true love's first kiss.

After learning about true love's first kiss, Stormy (Maleficent) imprisons Michael Vegas (Prince Phillip). "Give me the affection you hold for Aurora and I'll let you go," Stormy hisses, enticing Michael with her beautiful face and bulging bosom.

Willing to do anything to free his princess from her evil curse, Michael agrees to rock Stormy's world. Taking the reigns from the start, Michael lowers Stormy down onto the heels of her spike boots and uncoils his cock into her mouth. Expertly working his wang with her hands and mouth, it becomes quite clear that the evil queen has sucked a few royal cocks in her day. "Do you like that?" she mouths, looking up at Michael with gooey spit stringers hanging from her deep purple lips.

Next, Stormy is bent over a cot in doggie position, taking the grunt of Michael's mallet as he continuously pounds her round. Once he's had his fill in that position, he continues fucking Stormy in every way imaginable across the expanse of his jail cell. The effects are out of this world, literally!

Once the deed is done, Stormy leaves the room while Riley Steele (Flora) reappears, ready to free the prince from the confines of his cell. Soon, Michael Vegas (Prince Phillip) is led to Sleeping Beauty. Completely overcome with love and adoration he feels for her, Prince Phillip can't wait to be with her. Scooping her up in his arms, he implants true love's first kiss upon her lips. As the magic of true love abounds, Sleeping Beauty opens her eyes.

Just when you're expecting the prince and princess to live happily ever after, Axel Braun throws in a series of unexpected plot points that creates a surprise ending that you never saw coming!

INTERVIEW WITH A PORN STAR

AALIYAH LOWE

Slit School Is In Session!

PUSSY LICKING, COCKSUCKING, WEBCAMMING WONDERSLUT DISHES ON HER BEST TWAT TONGUING TECHNIQUES, FAVORITE DICKS TO RIDE ALL DAY AND HOW YOU CAN EAT YOUR WAY INTO YOUR GIRL'S HEART!

Interview by Emma Edwards

After doing a bit of research on you, we discovered that you were on a normal track as a teacher and ended up in porno.
Yes, I attended college to get my degree in education, and was more than half way there, teaching a little bit. I never in a million years thought that I would end up in porn. It's kind of crazy.

So your next step was going to web-cam model, correct?
Basically, it's a shame that I can get paid three times as much to take my clothes off as I can teaching. Bottom line, I was really broke, only making between $40 to $50 per day. At one point, I was only a few steps away from being homeless. I used my college loans to help pay my bills. It's then when I discovered web-camming. My thought process was that when I was done teaching for the day, I would go to the studio and work for an hour or two in order to catch up on my bills.

It sounds as though web-camming was only intended to be a short-term plan.
Yes, I thought I'd do it for three or four months, save the money I earned, and finally get ahead of my bills. That was 12 years ago!

When you finally got your beak wet in web-camming, so to speak, what did your shows consist of?
I started out doing solo masturbation work to begin with. That was what I was comfortable with for the first year or so. There was a lot of masturbating, talking, body play. You'd be surprised how many guys don't want to watch me masturbate but would rather just talk with me instead. Other people had more obscure requests, like putting on a pair of pink socks and jumping on a bed.

Since you had never done anything like that before, were you nervous?
Yes, at that point I had never even used a dildo on myself before. I couldn't even say the word or touch it. On my first day, a dildo was given to me. I said, "Oh no! I can't do that!" They asked me, "What did you expect to do today?" I replied, "I'm not sure, but certainly not that!" So the first day continued and I was asked to stick the dildo in my butt. It was then when I stepped back and realized what my new job was really all about. *(laughing)*

It sounds like you were naive and inexperienced when it came to sex and sexual expression at that point.
Absolutely. I was shy. I was a prude. And, even though many women don't like to admit this aloud, I wasn't very happy with my body. I thought I needed big boobs to be desirable and beautiful. It never occurred to me that there are many ways for a woman to be beautiful. While web-camming, I begin seeing myself in a different light. I started seeing my body in a different way. I was sexy too. Porn has done nothing but give me self-confidence where I had none before. It makes me feel good about myself. Everything that I've discovered I like sexually has been because of porn. It has changed my life for the better.

It sounds like porn has been a major accomplishment in your life.
Yes, it really has. I'll read a script and see what I am to do that day. I'll say, "Okay, I'll give this a try." I'll either like it or I won't, but I will try it with an open mind and see how I feel about it afterwards. Usually, I find that I am really into most stuff after I've tried it out. Porn has taught me so much about my body. It has introduced me to things I never would have tried out sexually had it not been for porn.

What is an example of one sexual act that you weren't so sure about but ended up loving after giving it a go?
Threesomes! I just started doing boy/girl a year ago and that has been awesome. Sometime last year, I

performed in my first threesome and got to pick out the talent myself. Since I'm perpetually single, I've always been invited into threesomes but had never done it up until that point. Now, threesome are my favorite. I'm always trying to book myself for threesomes. It's really the best of both worlds.

For your first threesome, who were the lucky girl and guy?
The girl was Cherie DeVille and the guy was Danny Mountain. Both of those people are so hot. He's the type of guy that girls want to climb on top of.

So, back then, what made you decide to go from solo to girl/girl, which is a feat in itself?
Honestly, it was a financial decision. I realized I could make twice as much if I begin working with women. My first time with a girl was on the web-cam. She was a girl that I knew, who actually worked in the studio right next to me. After we had sex, I told her she was my first girl and she said, "Oh no, why didn't you tell me." I told her that I didn't want her to know how nervous I really was.

How did your first lesbian scene go?
I loved it. I really loved it. I loved it so much that I'm still having sex with lots of girls to this day.

When going down on this girl, what technique did you use? Did you simply do to her what men had done to you?
I think I would have had a much better first time experience had it not been for web-camming. It would have been better in my private life or in a movie scene. With web-camming, there are lots of stops and starts, depending on what your viewer wants you to do or what they want to see. They purchase minutes and want to get their end result very quickly. Once they've clicked out, you cover up and wait for the next show to begin and start all over again. It usually happens in 10-minute increments. It was more like putting on a sex show rather than having actual sex. We did enjoy it, but it wasn't like we got to take our time, kiss, do some foreplay, have some sex, and so forth. It's hard to build passion with so many stops and starts. At least in porn scenes, you have long stretches of uninterrupted time to enjoy your partner.

What is your pussy eating technique?
I never knew if I was good as eating pussy or not. After eating so many at this point and getting loads of feedback, it turns out that I'm very good at eating pussy. Women tell me that I'm awesome at it. I'm kind of rough with my tongue. I pay lots of attention to the clit and don't use my fingers most times. I press my tongue really hard against their clit and go up and down, trying to keep a steady momentum. I don't know if I'd recommend my style to others because my tongue gets really tired. *(laughing)*

Can you offer some good pussy eating advice?
There is not one way to eat a pussy. Every girl and every pussy is different. Sometimes even my technique is not enjoyable for some women. It may be too much pressure or too overwhelming for them. What I can tell you is that all women will do everything they can to let you know what they like and don't like. All you have to do is pick-up on the clues. If she's moaning and bucking her hips, continue doing what you are doing. If she's trying to push you away with her hands, you may want to change things up. Repetitive motion is the key to oral sex.

Do you implement that same type of technique when you are sucking cock?
Well, on camera, especially if the man is showing off, he is fucking your mouth instead of you sucking his dick, if you know what I mean. Men in porn like to fuck your face. My only technique in that scenario is not to puke. *(laughing)* I don't suck really hard. I try to use my mouth, my tongue, and my hands. I keep things wet and use good eye contact. I think men are much easier to please than women. So long as their cock is in your mouth, they're going to enjoy it.

So then, after deciding to add women onto your repertoire, when did you decide to also include men?
At first, I was such a stickler when saying that I would NEVER do boys on camera. Web fans would say, "Yeah, that's what they all say! It's only a matter of time." I would get so angry with them and say, "You don't know me. You don't know my body. No I won't. You couldn't be more wrong!" Less than a year later, I was screwing guys on camera. *(laughing)* Once again, porn has taught me to never say never.

Since you were so steadfast on your stance of not doing boy/girl, what made you change your mind?
When I was at the AVN Award show in Las Vegas a few years ago, I was hanging out with my friends, who were boy/girl performers, and thought to myself, "Are these people somehow having more fun than what I am having?" I finally realized that I was missing out big time. I thought at that moment, if I don't do

this now I'm always going to regret and wonder what it would have been like. So, I tried it out.

Do you have any regrets about your decision now?
Yes. My only regret is that I didn't choose to do boy/girl sooner.

Since adding more protein to your diet, who have been some of your favorite male performers to work with?
Johnny Sins, Johnny Castle, Ryan Driller, Erik Everhard, Steven St. Croix. As you can see, I have many favorites. I'm a very lucky girl.

We saw you do a hot scene with Bill Bailey in *Star Kissed* by Wicked Pictures.
That was my first feature. I did one scene with Tyler Nixon and another with Bill Bailey. Both scenes were hot.

How was it working on your first feature, in the lead role?
When I first started doing boy/girl, I had signed an exclusive deal with MindGeek to shoot seven scenes. I began shooting *Star Kissed* the very next day after my contract was up. I couldn't believe my luck. I was working for Wicked Pictures, in the starring role of a feature film. I could have pinched myself. I had never acted before. It was amazing. I had to memorize lines and act out a part in a different way. I hope my fans enjoyed the show.

But, prior to your lead role in *Star Kissed*, weren't you ever cast in any lesbian features that required you to learn scripts?
Sure, I did a few movies for Filly Films. To compare, my Filly Films script wouldn't be more that a few pages of dialogue and we'd shoot it in a few hours. Whereas *Star Kissed* had thirty-five pages of script and took a series of days to shoot.

Was it difficult to learn all of those lines?
Let me begin by saying that I am addicted to Twitter. So, whenever I would have the urge to go on Twitter, I would reach for my script instead. Repetition made it all sink in.

Are you a size queen?
No, not at all. It's not really about size. Inside of porn, there is such a thing as being too big. Outside of porn, there isn't such a thing as being too small. I've never looked at a dick and rejected it based on size. It's about the chemistry between two people. It's the way he makes me feel, the way he kisses me, the way he fucks me. Thankfully, I cum really hard, fast, and easy. No matter what, I'm going to cum really hard and fast and often. I've even had directors tell me to tone down the fake orgasms. I'm like, "Who's faking! I just come a lot. This is all real. And you should be happy."

So then, who in porn has the type of cock that you can't get enough of?
Before porn, I was always anti-foreskin and I don't know why. It's ridiculous. I don't even know if I was ever even with someone with foreskin before porn. I was prejudice against the foreskin. Now, I love foreskin. If a man has foreskin, I'm guaranteed to have more orgasms. I don't know why that is. I haven't figured out the science of that, and don't think I want to. All I know is that now I love men with foreskin. Mr. Pete, Mick Blue, most of the foreign guys all have great foreskin. I guess the extra skin just gives me more slip 'n slide.

Are there some male performers that you are not interested in working with because they are too large?
I'm not really afraid of the big dick guys. At first, I am a bit nervous, but I really get into it. Once I start fucking them, then everything is okay. With a larger dick guy, you are going to get much sorer, much faster. With medium dick guys, you can fuck all day.

Have you ever thought about performing in interracial scenes, with our extra-large black stallions?
Like I said before, I will revert to my old line of, "Never say never". We'll see what happens!

TATTOO CULTURE TAKES OVER PORN

By Rob Perez

Bonnie Rotten

Photos courtesy Diabolic Video, Evil Angel Video and Jules Jordan Video

34094

Fifteen years ago, girls with tattoos barely registered on the porn radar. Besides Belladonna's tear-dropped shaped boob tat and Janine's sleeves, tattoos were rarely seen on the era's top porn chicks. But the mid-2000s saw the "alt porn" revolution, with Joanna Angel's Burning Angel and the website Suicide Girls leading the way. The movement became so big that even porn powerhouse Vivid started its own imprint, Vivid Alt, featuring the hottest "alternative" inked girls of the day.

With the genre came some classic alternative-themed films that defined the first decade of this century, and the original alt girls paved the way for girls with ink to be noticed by the porn mainstream. Today, they are the mainstream, welcomed with open arms by the major XXX studios. Evil Angel, Elegant Angel, and even the more traditional Wicked have released tattoo-themed titles within the past year. And make no mistake, these girls are just as popular with mainstream porn audiences as they are with the tattoo fetish crowd.

To find proof that inked girls have made an impact, you only need to consider Joanna Angel, Angelina Valentine, and Skin Diamond, who have reached the heights of porn stardom. Whether ink had anything to do with it or not, these girls are naturals in front of the camera with as much sex appeal as their fellow non-inked performers. Karmen Karma was crowned Best New Performer at the Fanny Awards during EXXXotica Atlantic City. Christie Mack and her wild hairstyles and fun, up-for-anything personality has been a fan favorite since she first came into the industry. Dana Vespoli is currently one of the most respected performer/directors in the business. But it's the heavily-tatted Bonnie Rotten, 2013 AVN Starlet of the Year nominee and winner of 2014 AVN Performer of the Year, who is perhaps the hottest and most acclaimed performer working today.

Thirty-year adult industry journalist Bill the Hobbyist, who recently helped launch InkedAngels.net, has helped make the site the go-to place for the latest updates on inked girls in porn. He remembers when girls with ink were virtually non-existent in porn films.

"Years ago, you pretty much saw ink on biker chicks, many of whom were rough looking and carried no personal beauty with the ink they had. Today I feel ink appeals to so many in porn because there are young ladies with great looks, bodies and personalities getting ink. Plus designs are creative and done better than in the past. This has been an exciting move for both inked girls and people who love ink," Bill continues. "I think the studios have found that many of the inked girls are very powerful performers and not just girls with ink. Being an ink lover for sure, I personally would have loved to have seen this growth sooner. But the industry moved at a pace they were comfortable with. As a studio looks at casting, there are more inked girls to choose from who fit right for them in their scenes."

With so many girls arriving in the industry, InkedAngels.com recently held the Inked Awards, recognizing 16 areas in inked porn and music, surely a sign that ink is here to stay."

"Joanna Angel was the first and is still the best—she pulls it off and is the complete package," says Erika Icon, owner of the successful The Rub PR. "I have clients with tats who work all the time and aren't referred to as alt—Helly Hellfire, Nikita Von James and Angelina Valentine. They're also working a lot because they do great scenes and they're hot."

Known throughout the industry for her ink as well as her PR savvy, Erika's own reasons for getting ink are not that much different than the girls she represents.

"My tats were done at different points in my life and are sort of like a road map of the path I'm on," she says. "Like I have a Jewish tat since I grew up Jewish and now I have a Buddhist tat in Chinese that says what I chant every day—'nam myoho renge kyo.' People can learn more about me from my ink for sure."

To get the take of the women who actually are on the front lines of this new inked revolution, CHERI spoke with Bonnie Rotten, Angelina Valentine and Karmen Karma.

CHERI: *How many tattoos do you have approximately? Do you have one that is a particular favorite?*

Karmen Karma: I've lost count of the number of tattoos I have a while ago! I have my entire right arm, left forearm, left side of my torso, right hip, kiss on my booty, behind my ears, top of each shoulder, ankle, two bows on my hips, 14 small tattoos on my hands, upper back, and on my lip. My favorite piece would have to be the one on the upper part of my sleeve; it was the first big piece I ever got!

Bonnie Rotten: I have around 30 tattoos. I believe my favorite is still my first but it always changes. My first tattoo is a zombie from the cover of "Night of the Living Dead: The Beginning" issue #1. As a die-hard horror fan, I feel it was only appropriate.

Angelina Valentine: I have seven, total. I would say the tattoo on my ribs is my favorite. That was most brutal and the tattoo that I have that pretty much portrays how I feel as a woman. It's a sexy fucking zombie in lingerie and she's eating a plate of brains holding a silver platter, blood all over her mouth and she's licking her fingertips. To me that symbolizes woman power and in the background it's going to have a guy, beheaded. It symbolizes, "I'm gonna eat your face off." That's how I am. I'm very strong and independent. It works well for me. (Laughs)

Do you find tattoos sexy? Do you feel sexier with tattoos?

Karmen Karma: Of course I find tattoos sexy. Tattoos are my number-one turn-on in a girl or guy. I love having tattoos because I can express myself, be unique and set myself apart from other people. So in a way you could say that I feel sexier.

Karmen Karma

Tory Lane &
Angelina Valentine

Bonnie Rotten: I do. Tattoos from the age of 15 were my way of overcoming oppression and being an individual. Close-minded people surrounded me in Ohio. It was my way to be me without having to cause trouble. (Laughs)

Angelina Valentine: Of course I find tattoos sexy. I think tattoos are sexy especially on me. (Laughs) I came into the business when the business wasn't big on tattoos. It wasn't accepted really. Everyone was getting their tattoos removed. I got more and more. Eventually it became an epidemic. Everyone was getting tattoos and it was being accepted. Next thing I know I see tattoos everywhere. So I feel like I brought the flavor to the industry. So there's nothing sexier to me than tattoos. I love a gangbanger, a hardcore tough guy with tats on his face. Oh god, it kills me. I'm a sucker for tattoos, teardrops and all.

What is the significance of your tattoos with respect to your life? What do you feel your tattoos say about you?

Karmen Karma: All my tattoos have significance and meaning to them, whether it was something I experienced or believed in. It's great to be able to have things that are important to me and my life story being turned into artwork on my body. At first most people label me as mean or different because I have tattoos but those who take the time to look or read my tattoos can instantly see what type of person I am, which is usually the opposite of what they expect. The majority of my tattoos are Bible verses, inspirational quotes, artwork that has a positive meaning.

Bonnie Rotten: I feel that my tattoos tell a story, almost like a pathway through a garden or something. (Laughs) They each tell a different chapter and interest in my life.

Angelina Valentine: Every tattoo has a story. It's not like you walk into the tattoo shop and you tell the guy, "Yo, I want #32." Each and every one of my tattoos portrays who I am and it tells my story. I made it a point not to have a tattoo somebody else has. That is the grossest thing to me to have a tattoo that everyone has. It makes no sense to me. I can't stand the scars and the bullshit. It's ridiculous. So all my tattoos I drew myself.

How do others react?

Karmen Karma: I get different reactions from different people, but pretty much it goes one of two ways. Either I get mean dirty looks from people who are clearly judging me or I'll get compliments and people saying they love them. The main things I hear is, "Where did you get your work done?" or "Nice sleeve."

Bonnie Rotten: Depends. (Laughs) Most people are intrigued and ask me questions which is pretty neat to me. I think its cool people are inquiring instead of just looking and judging but that also happens often.

Angelina Valentine: "Oh my god, did that hurt? No, not as much as it hurts to wipe your ass." (Laughs) I love when people come up to me and I love attention. And I love that it separates me from everybody else. I love the fact that I look more bad-ass than I probably am. My bark is definitely bigger than my bite. I love the attention.

Did you feel your tattoos would be an advantage or disadvantage for you before entering porn?

Karmen Karma: I knew that my tattoos would be a setback getting into the industry but I was extremely confident that my performance in my scenes would overcome the fact I have tattoos. I love performing and having body art shouldn't be a negative thing in this industry; it has nothing to do with my fucking skills!

Bonnie Rotten: I thought they would be a major disadvantage and was told by many I wouldn't ever shoot and I would never be a star. I decided to take the challenge

Angelina Valentine: Oh my god, I think my tattoos are a big advantage to my career. They make me who I am. I think that my tattoos have brought a lot of my sexuality out and I think that its brought a lot of people to a comfort level where they can get tattoos and I think without my tattoos I wouldn't be in the industry. I have had tattoos for as long as I can remember. Without them I feel like a pussy. I don't think I've ever had sex with anyone in my life—unless I have to do it for work—who didn't have tattoos. It's like a turn off like, "Bro, how do you not have one fucking tattoo?" When you think of Angelina Valentine you think tattoos. When you think of Angelina Valentine you don't think tattoos and roses. You think tattoos and knives.

How do you feel about the recent influx of tattooed performers becoming mainstream porn stars and not being categorized as "alt performers?"
Karmen Karma: It's a breath of fresh air to finally see girls with tattoos being well known in this industry. Tattoos don't affect personality or sex skills or anything besides your appearance. If a girl has enough balls and is confident enough in herself to go against the norm, I find it very sexy. I am determined to get to the top whether I have tattoos or not.

Bonnie Rotten: I think it's great! From the very beginning I hoped it would happen and I could show that there are opportunities in both areas for beautiful girls with tattoos.

Angelina Valentine: I feel like they be jacking my style. Absolutely. Fuck yeah, man. I'm one of the whores who came into the business who had the balls to rock tattoos and not get them removed while all these other bitches—I can remember it like it was yesterday—went and got laser treatment. I'm like, "Honey, it's not the tattoo. It's you not getting the work." So I'm the one that kept it real, kept getting tattoos and eventually everybody started doing it. So I think they're knock-off versions of me if you ask me. You can't ever duplicate me; I'm one of a kind. All these girls, yeah they're hot but they can't do it like me. I see a lot of their tattoos and it's the same boring shit. If you're not a bad ass bitch and you can't back up a bad ass tattoo then you shouldn't be rocking it. That's how I feel.

How do the fans react to your tattoos?
Karmen Karma: They are my fans because they do like the tattoos. A lot of fans love talking about my tattoos and say they are very attracted to them. It's refreshing to know that tattoos are being more accepted nowadays.

Bonnie Rotten: Some love it, some hate it. It depends

Do you like the attention your tattoos bring you and why?
Karmen Karma: When getting tattoos you have to accept it will bring attention, whether it's negative or positive. Thankfully, I've rarely gotten any negative attention but even when I do it doesn't affect me whatsoever. I'm a very confident and strong person and I don't care about anyone's opinions on my body; it's my body and I will do what I please with it! I do get a lot more attention since I got the tattoos and I don't mind it at all. It's always nice to get compliments.

Bonnie Rotten: I do like the attention; it shows that I have a lot more going on than just being a pretty girl and I think it shows that I have overcame a lot of adversities. It makes me feel strong in a way.

Angelina Valentine: I have a wide variety of fans. I attract the pervs of the world which is fine by me since I myself am a pervert. I attract the weirdest, the nastiest, the grossest and the bad ass motherfuckers of the world which is fine with me. It's a wide variety of different folks. I definitely have the rockers on my side. The partiers, the rockers, the bad bitches, bad dudes, the gangbangers, they all flock to me.

BABYSITTERS TAKING ON BIG DICKS ⚡⚡⚡⚡

(Zero Tolerance) Starring: Jessa Rhodes, Casey Calvert, Chloe Amour, Teanna Smile

Without the need for complicated dialogue or intricate plotlines, Zero Tolerance's main focus has always been on hot girls and hot sex. On the line today are four hot *Babysitters* with insatiable appetites for *Big Dicks*, which makes for one spirited porn flick! Chloe Amour, a pretty Latina, begins by calling Will Powers over to play with her. After servicing his set with a smile, Chloe gets it good in doggie and cowgirl position. Spicy in every arrangement, Chloe is clearly one hot tamale. From here, Anthony Rosano retells a story to Teanna Smile about how his wife got drunk at a company party. Teanna decides to turn his frown upside down by allowing him full access to her teen tits, lips, and clit, of which he takes full advantage. Needless to say, her TLC works like a charm! Afterwards, Mark Wood walks in on Casey Calvert rubbing one out when she's supposed to be watching his son. After some sexy scolding ensues, she treats him to a juicy blowjob that makes her mouth water before he punishes her further by pounding her round in doggie position. In the end, Jessa Rhodes, the boxcover babe, has a go with Jessy Jones. With plenty of titty flopping and wet pussy action, these two really know how to deliver a titillating tryst that winds up being the best of the bunch.

SLUT PUPPIES 8

(Jules Jordan Video) Starring: Alina Li, Jillian Janson, Keisha Grey, Zoey Monroe, Noelle Easton

In an ardent quest of discovering the industry's rising stars, Jules Jordan is on a mission. Through five incredible scenes that mix industry stunners with hardcore hopefuls, there isn't a dud in the bunch! Already a popular stunner, Alina Li adds some of her Asian seduction to the mix. Delivering a slippery double blowjob, Alina really lays into Chris Strokes and Richie Black, offering them gobs of her spicy wanton and svelte body. Wow! Afterwards, Noelle Easton, a big-busted brunette, does a remarkably good job alongside Jules Jordan. Working on her curves, Jules douses her with oil and makes her earn her spot in his movie. With a reddened pussy, she's clearly earned our respect and our attention. From here, Keisha Grey, a tantalizing teen, takes on Chris Strokes. Donating her mouth and pretty pussy to this project, Keisha delivers an interesting scene, although we're still not sure whether or not she actually enjoyed herself. Later still, Jillian Janson proves her newly minted status by taking on Chris Strokes. Igniting in pink shorts, she sucks and fucks his cobra-cock like a seasoned player. Coaxing the vanilla ice cream right from his hose, this milkmaid delivers! In the end, Zoey Monroe gives up her asshole for the first time to Jules Jordan with strikingly solid results. Getting the best push in pile driver position, this *Puppy* is left permanently panting!

AMATEUR POV AUDITIONS 9 ϟϟϟ

(Amateur Allure) **Starring: Ashlyn Rae, Kristine Kahill, Aria Salazar, Chloe Brooke, Aidra Fox**

Focusing on the allure of fresh, new starlets, POV (point of view) style camerawork, and gobs of gooey cum shots, this movie is incredible for people who enjoy watching girls being broken in. With interview sessions to warm you up and plenty of hot girls to choose from, this movie is well worth your time. Aidra Fox, a stunning brunette, is nervous before her first boy/girl scene. In time, Ray appears and spears his cock between her tonsils before stretching out her pussy in missionary and doggie position. Hot! Next, Chloe Brooke, a dirty blonde from Minnesota, seduces the camera with her eyes during her interview session. Later, Ray's eyes and cock receives all of her attention, as Chloe delivers a slobbery blowjob and plenty of her deep-dish pussy. From here, we find Aria Salazar, a stunning Latina, sucking and fucking Ray. With beautiful brown eyes and a spongy pussy, Aria is primed for the picking, looking the best when jockeying his cock in cowgirl position. As the movie progresses, we find Ashlyn Rae attached to the opposite end of Ray's rod. With perfect lips, pert nipples, and a penchant for swallowing, Ashlyn is perfection, especially when her pussy lips plump up in missionary position. Kristine Kahill also looks hot in her sexy dress, but looks even better when Ray practically performs a tonsillectomy on her with his dipstick!

LOOK @ ME ⚡⚡

(Vivid) Starring: AJ Bailey, Lia Lor, Holly Sampson, Mallory Rae Murphy, McKenzee Miles

A collaborative effort by three astute porn auteurs, this five-scene offering has moments of both greatness and mediocrity. With a lineup of popular porn stars, some from days long past, these particular scenes have seemingly been pulled from the Vivid vault. The effects leave us with a lot of smoke, but not enough fire! Former Vivid contract girl Lia Lor allows director Lewis Socket to play with her tits and pussy before turning her over to Bill Bailey. After delivering a jaw-dropping blowjob, she bounces atop his cock like a pro, although a lack of chemistry between them is evident. From here, we find AJ Bailey, another former Vivid contract starlet, masturbating on a chair before Johnny Sins appears. Once together, she makes out with his cock and looks the best when taking it deep on all fours. Mallory Rae Murphy continues the show with Chris Johnson. Although her blowjob skills were only mediocre at best, his oral skills were in top form. She makes up for it by taking it well in spoon position, although there was still too much fizzle and not enough sizzle for our taste. Later, McKenzee Miles ignites in her respective scene, delivering the hottest performance when taking Bill Bailey up the pink and in the stink. Veteran performer Holly Sampson also puts forth a solid effort, although never reaching her fullest potential.

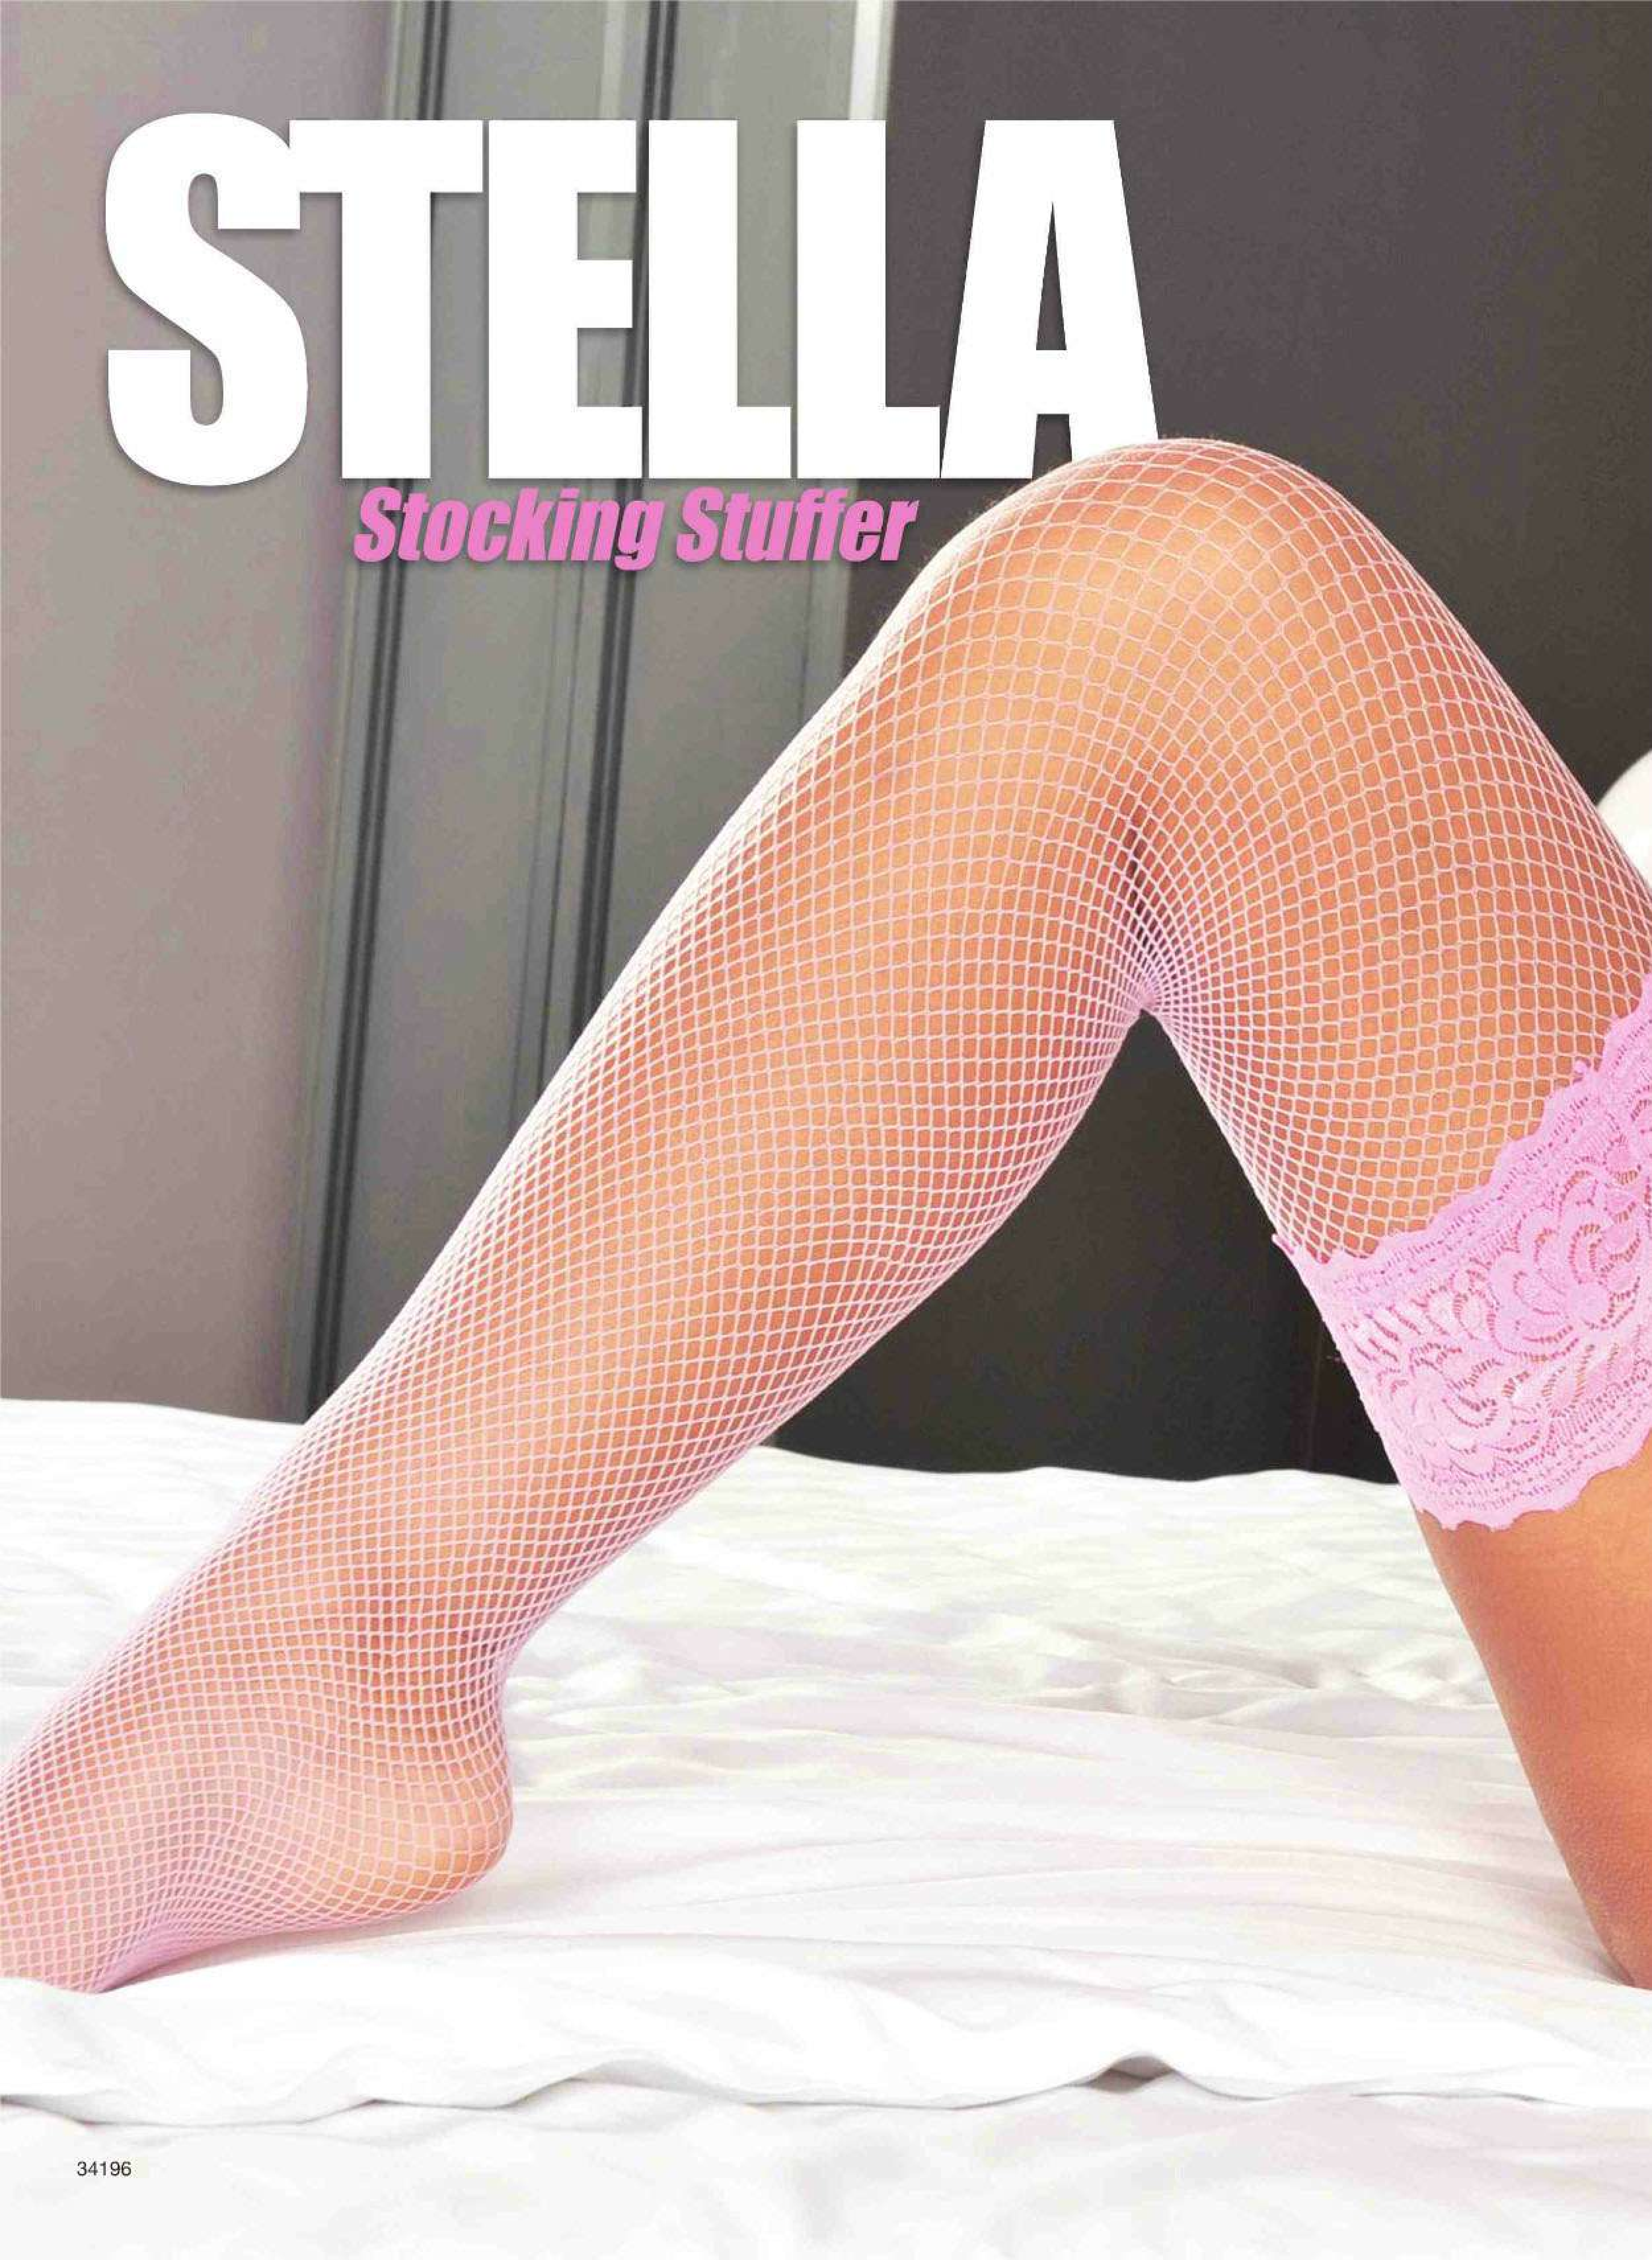
STELLA

Stocking Stuffer



You would think that a girl this hot with a rack this big would be surrounded by cock at all times. You would be right, too. The thing is, Stella needs to be alone sometimes and get herself off quietly. Believe it or not, fellas, the ladies don't always want some sweaty dude rutting against them all fucking day. So, to enjoy a nice little orgasm all alone, Stella closes her eyes, stuffs her clam and slams away 'til she cums like a whore. Then it's time to go look for the real thing.

To see more hot photos of **Stella**, visit **www.cherimobile.com/34196** or simply scan the code at right with your Mobile Camera Phone using your QR Code reader. EMILY AUSTIN

Texas Two-Steppin' Trim

Bang-loving business babe Emily Austin can't get enough cock. This Texan twat wants it in her mouth, cunt, between her feet, and anywhere else you can stuff it. Most meetings turn into all-out muff mashing fuckfests, so the only commerce (cummerce, anyone?) taking place is the one between her cunt and a hot load. And the second the spuzz drops on her little toesies, this CEO of smut is ready for the next deal! That's how you get ahead.
